Allowable Subject Matter

Claims 1-25 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art newly cited by applicant neither shows nor suggests all of the elements set forth in claim 1 in combination and particularly:

"a lighting unit configured to cause the light emitters to emit light so that the intensities of light emitted by them can be adjusted;"

and

"a light control member configured to perform at least one of changing the path of light from the emitters to be directed to the illuminated area and moving of the light emitters;

a movement unit configured to allow the light control member to operate; and
a light selector control unit configured to control at least one of the movement unit and the lighting unit so as to select light to be directed to the illuminated area from light of the emitters,

wherein the light selector control unit controls the lighting unit to cause an emitter to emit light when it is positioned in the vicinity of the light concentration area by the operation of the light control member."

Claims 10, 24 and 25 are allowed for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

Art Unit: 2851

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Melissa J. Koval whose telephone number is (571) 272-2121. The examiner can normally be reached on Monday through Friday.
